

Dual Duty

Two-sided Firm/Soft Flippable Foam Mattress

Flip this truck mattress for Firm Support or Soft Conforming. Either side provides a comfortable night's sleep. The medium-firm core works to promote comfort and stability throughout the mattress. Uniquely designed to last longer than a traditional innerspring mattress.

Longest Lasting Stability

Our stability layers provide long lasting comfort that works just as hard as you. That means no sagging and a consistent sleep experience every time.

Luxurious Stretch Cover

Luxurious stretch cover is breathable and easy to clean. Lower grip fabric keeps your trucker mattress in place no matter how bumpy the ride is. Covered zipper makes it easy to remove or replace if necessary.

Replacement mattresses for all makes and models

Affordable, quality truck mattresses engineered for comfort to fit all makes and models of semi-trucks. Whether you drive a Ford, Freightliner, Mack, Peterbilt, Volvo, or Western Star, we have a replacement mattress for you.
