## Travel Upgrade for Furry Friends

### RuffRoost Dog Bed

4" thick with medium/firm foam

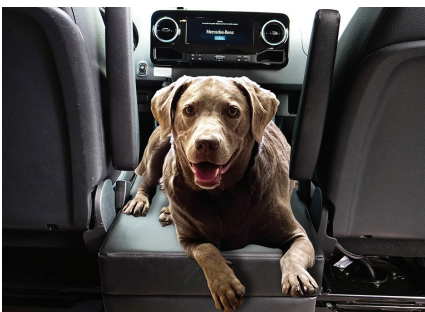

4 detachable sections that can:

- Stack neatly, so your dog can sit snugly between the driver and passenger seats, allowing them to enjoy the view through the windshield as you travel together
- Be used as picnic bench seats
- An outdoor pet sleeping spot, ensuring that your pup never has to compromise on comfort
- Laid flat for additional sleep surfaces
- Or a cushioned workout mat

1 wedge section to help level the dog bed

Durable abrasion and rip resistant material with removeable cover, easily cleaned

We recommend harnessing your pet just as you would in a regular vehicle
