

Labor & Delivery

Designed for patient comfort
and clinical efficacy

Your patients will appreciate the exceptional comfort and support of this high-tech mattress. You will welcome the durability and performance.

Ultrasonic Seams in high fluid areas.

Secondary Fluid Barrier assembled between foam and cover provides a unique two-way protection.
#1 it protects foam if outer cover is compromised.
#2 it protects cover by preventing foam from embrittling the fabric, extending cover life.

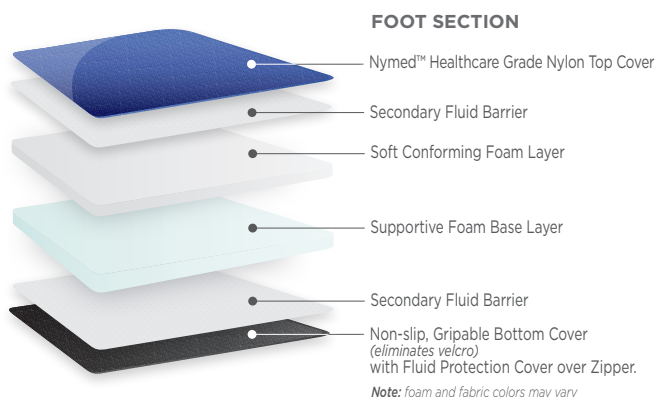

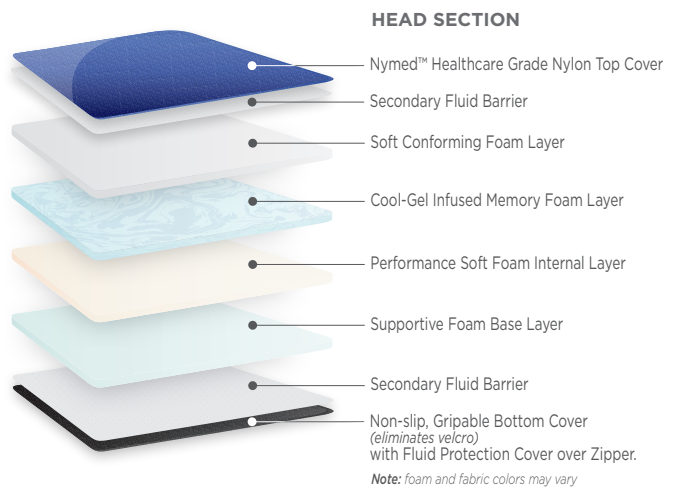

Removable Cover with heavy duty zipper on bottom which allows for internal mattress inspection and easy replacement. Also includes fluid protection flap over zipper which directs fluids over and away from the zipper area.

Nymed™ Health Care Grade Nylon Top Cover.
This cover is flame resistant, water resistant, anti-bacterial, anti-fungal, non-allergenic, non-irritating, and is latex free.

HEAD SECTION: Certi-PUR-US foam provides comfortable support for individual's up to 300lbs. Includes a soft conforming top layer. Includes a Cool-Gel infused memory foam layer. Benefits of Cool-Gel memory foam: Evenly distributes body weight, infused liquid gel for a cooler sleep experience, wicks heat away from body, plush, luxurious, consistent feel in all climates, unbeatable comfort and support plus cooling. Includes a performance soft foam internal layer, and a supportive foam base layer.

FOOT SECTION: Certi-PUR-US foam provides comfortable support for individual's up to 300lbs. Includes a soft conforming layer, and a supportive foam base layer.

Medical Grade Attachment Straps with stainless steel snaps on foot section to attach pad to bed when required.
