

# Ultra-Comfort

Stretcher & Gurney Mattresses  
with Cool Gel Memory Foam

Nymed stretchable nylon cover accompanied with our multi-layered, ultra comfort, medical grade, high resiliency, urethane foam.

**NEW! Color Identifier** at mattress foot. Distinguish old mattresses from new or use for departmental identification. Standard yellow identifier (tagging) included, optional colors available upon request.

**Removable Cover** with heavy duty zipper on bottom allows for easy internal mattress inspection and easy replacement. Also includes fluid protection flap over the zipper directing fluids over and away from the zipper area.

## Nymed 6™ Health Care Grade Nylon Top Cover

This cover is flame resistant, water resistant, anti-bacterial, anti-fungal, non-allergenic, non-irritating, and is latex free.

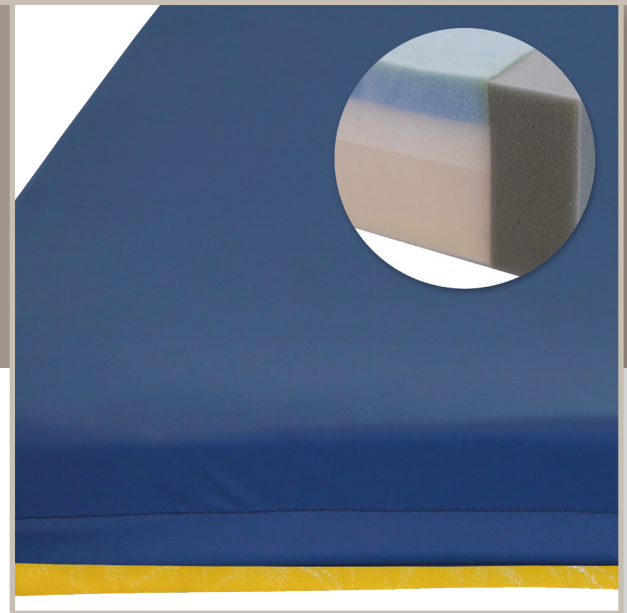

**Secondary Fluid Barrier** assembled between foam and cover provides a unique two-way protection.

#1 it protects foam if outer cover is compromised.

#2 it protects cover by preventing foam from embrittling the fabric, which extends the cover life.

## 4" or 5" thick Certi-PUR-US foam provides comfortable support for individuals up to 300lbs.

Includes a 1" Cool-Gel infused memory foam top layer. Benefits of Cool-Gel memory foam: evenly distributes body weight, infused liquid gel for a cooler sleep experience, wicks heat away from body, plush, luxurious, consistent feel in all climates, unbeatable comfort and support plus cooling. Includes a performance soft foam internal layer, and a supportive foam base layer.

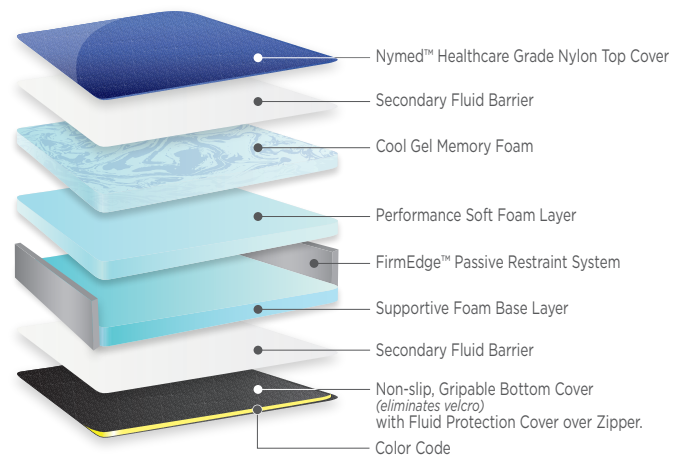

## FirmEdge™ passive restraint system

provides support on both sides of the mattress during entry and egress.

## Durable waterproof Vynmed™ Health Care Vinyl Bottom Cover.

This cover is anti-bacterial, anti-fungal, stain resistant, non-allergenic, non-irritating, conductive, phthalate free, latex free and is odor resistant.

*Note: foam and fabric colors may vary*

# Ultra-Comfort Mattress Technology

## Removable Cover

- Nymed 6™ healthcare breathable nylon top cover
- Vynmed™ durable healthcare coated vinyl bottom
- Heavy-duty zipper on bottom allows for internal mattress inspection & easy replacement
- Fluid protection flap over zipper, designed to direct fluids over and away from the zipper area
- Fluid proof, anti-bacterial, anti-fungal, stain resistant
- Non-allergenic, non-irritating, latex free
- Flame retardant, meets California Technical Bulletin 121 and CFR 1633

## Mattress Core

### 3 Foam Layers:

- Cool-Gel infused memory foam layer
- Performance soft foam internal layer
- Supportive foam base layer
- All foam is CertiPUR-US certified which means:
  - Made without ozone depleters
  - Made without PBDEs, TDCPP or TCEP (“Tris”) flame retardants
  - Made without mercury, lead and other heavy metals
  - Made without formaldehyde
  - Made without phthalates regulated by the Consumer Product Safety Commission
  - Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million)

## Secondary Fluid Barrier:

- Assembled between foam and cover
- Unique two-way protection:
  - Protects foam if outer cover is compromised
  - Protects cover by preventing foam from embrittling the fabric, which extends the cover life

## Color code identifier (tagging)

- Distinguish old mattresses from new or use for departmental identification
- Standard yellow identifier included, optional colors available upon request
