# ROAMREST ADVENTURE WAGON

## Compatible Replacement Van Mattress

### Maximum Comfort:

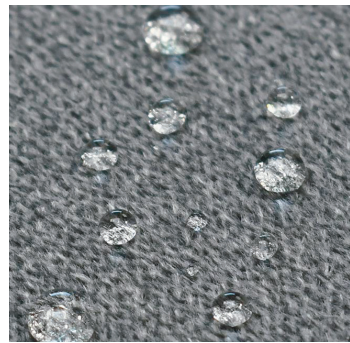

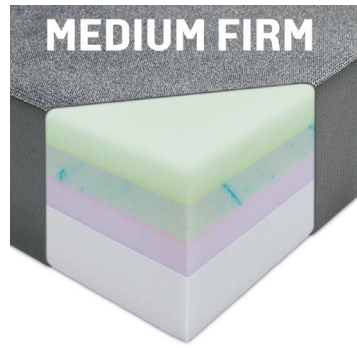

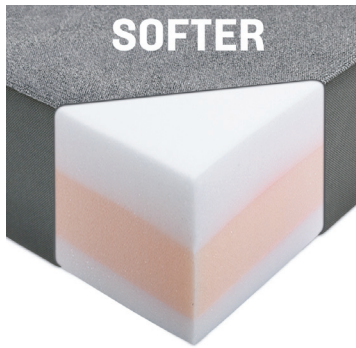

Enjoy the optimal comfort and support of a RoamRest AdWag replacement mattress on your next adventure. Our 5" thick foam layers are expertly crafted to ensure you enjoy plush rest, while cooling memory inserts provide extra relief in warmer climates. For those seeking an even softer experience, try our Softer model and bring coziness wherever life takes you!

### Design & Fitment:

Our innovative zippered hinge design provides essential versatility and comfort, effortlessly converting your van mattress from a bed to a sofa in seconds. When not in use, it can be folded up and stacked on the platform panels for maximum space-saving convenience – so you'll always have room to take your Van Life adventures further

### Durability:

Our polyester top fabric ensures superior water and abrasion resistance, while our low-slip polyurethane coated nylon side and bottom fabric provide enhanced durability to stand up against wear. For further longevity of your product, removable zippered covers allow for easy hand cleaning with a light soap solution – just air dry when finished!

### Advanced Foam Technology

Enjoy the best night's rest with our 5" foam mattress – designed to provide a high performance sleep experience while still being low profile. The Medium-Firm includes a cool gel memory foam insert, firm bottom layer and soft-to-the touch polyester top fabric to ensure optimal support and comfort as you drift off into peaceful slumber. Experience ultimate relaxation today!

**NEW:** The Soft version of our Ultimate Tri-Fold Mattress offers 5" thick foam with three-layers of softer foam for additional comfort.

### Materials & Certification

**REMOVABLE COVER:** Soft-to-the-touch polyester top. Ultra durable low-slip bottom fabric with zippers.

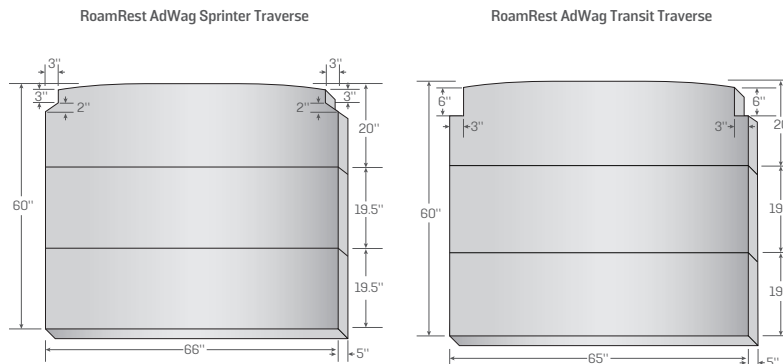

**FOAM:** All foam is CertiPUR-US certified which means: Made without ozone depleting chemicals; PBDEs, TDCPP or TCEP ("Tris") flame retardants; mercury, lead, and other heavy metals. Made without formaldehyde, or phthalates regulated by the Consumer Product Safety Commission. Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million).
