ROAMREST FLATLINE

Compatible Replacement Folding Mattress

Ultimate Comfort:

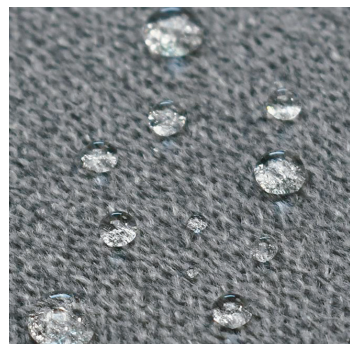

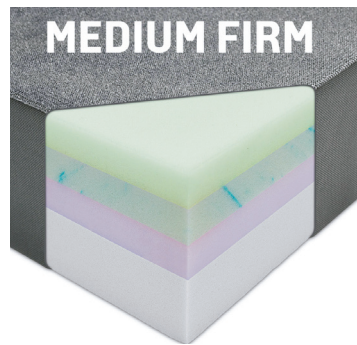

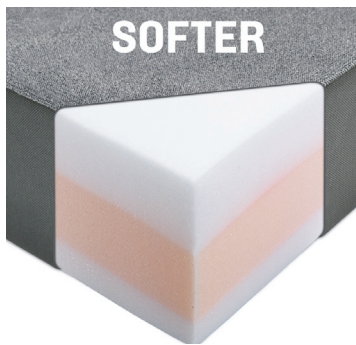

The RoamRest Flatline replacement mattress offers a level of rest and sleep that you can count on no matter your destination. Offering two options: Medium-Firm with 5" thick supportive four-layered foam, cooling memory insert, and soft fabric; or the new Soft model featuring 5" thick of three comfort layers for an even more plush feel. Get ready to experience top quality comfort when traveling!

Design & Fitment:

You can now easily replace your Flatline conversion van mattress in an instant. Simply pick the best size to fit your van and say goodbye to nightly frustration – it's that easy! Plus, our innovative zippered hinge design provides essential versatility and comfort, effortlessly converting from a sofa to a bed in mere seconds. When not in use, it can be folded up and stacked on the platform panels for maximum space-saving convenience.

Durability:

The polyester top fabric is resistant to wear, while the sides and bottom are covered in a low-slip polyurethane coated nylon that's designed to withstand water, abrasion, and rips – ensuring long lasting use even through daily use. Plus, you can remove the zippered covers for easy cleaning using a light soap solution and air drying.

Advanced Foam Technology

Get the restorative sleep you need with this 5" thick high performance/ low profile, four-layer foam mattress. The Medium-Firm features a cool gel memory foam insert for comfort and longevity plus a firm bottom layer that prevents sinking in too deep. To top it off, our soft polyester top fabric creates an extra cozy finish so your nights can be restful!

NEW: The Soft version of our Ultimate Tri-Fold Mattress offers 5" thick foam with three-layers of softer foam for additional comfort.

Materials & Certification

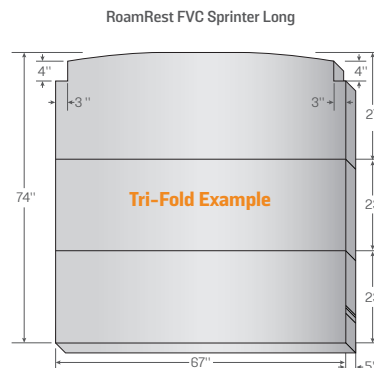

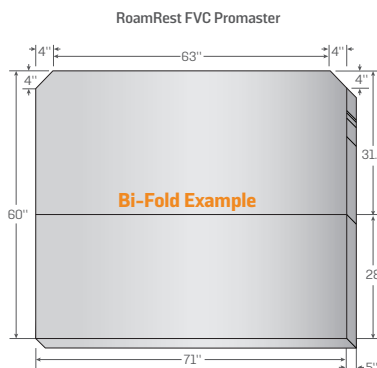

REMOVABLE COVER: Soft-to-the-touch polyester top. Ultra durable low-slip bottom fabric with zippers.

FOAM: All foam is CertiPUR-US certified which means: Made without ozone depleting chemicals; PBDEs, TDCPP or TCEP ("Tris") flame retardants; mercury, lead, and other heavy metals. Made without formaldehyde, or phthalates regulated by the Consumer Product Safety Commission. Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million).
