Affordable Van Mattress

Van

The Outback Mattress is a great option for rental vans who need a supportive, comfortable and easily cleaned mattress built to last.

- 5'' medium density foam, relieving pressure points and providing optimum support and comfort
- Flip to either side to increase the longevity of the mattress
- Soft-to-the-touch nylon fabric adds an extra layer of comfort
- Polyurethane coating makes it resistant to fluid, cracks, and flames. It's also non-allergenic and odor-free
- Easily clean with mild soap and water

Conforming Nylon Cover
Resists fluid, cracking, flame, and fights odor causing bacteria and fungus

5" Medium Comfort Foam
Supportive internal layer relieves pressure points for optimum comfort

Removable Nylon Cover
Heavy-duty zipper, easily cleaned with mild soap and water

Note: foam and fabric colors may vary

Advanced Foam Technology

Mattress width fits most standard adventure vans while the length provides adequate leg room. The 5 inch thick medium density, supportive and comfortable medium density foam relieves pressure points for optimum support and comfort. Our durable soft-to-the-touch nylon fabric provides added comfort for a great night's sleep.

Affordable Comfort:

Save on cost without compromising comfort. The Outback van mattress is the workhorse of our conversion van mattress lineup, designed to provide all the comfort you need while saving money for other aspects of your buildout.

Design:

Created to fit in most travel van setups for ease of fitment and simplicity. Fits Chevy, Ford, GMC, Mercedes-Benz, Freightliner, RAM and many more. Plus, routinely turn over the mattress to extend the life beyond standard mattresses.

Durability

Soft yet resilient polyurethane coated nylon fabric is; fluid, crack, and flame resistant, non-allergenic, anti-static, anti-fungal and Ultra Fresh EPA certified antimicrobial treated. Mattress can be flipped extending the life of the mattress. Zippered cover easily cleaned with mild soap and water and can be removed for tougher messes.

Materials & Certification

Fluid Resistant Cover:

· Fluid and crack resistant polyurethane coated nylon fabric
· Economical mattress is covered with comfortable quiet nylon fabric
· Non-allergenic, antibacterial and antifungal, fire retardant, and will not gather dust
· Antibacterial and antifungal technology fights odors from extended use on your longer adventures
· Removable cover is easily cleaned with mild soap and water

Fluid Resistant Cover:

· 5'' solid supportive and comfortable medium density foam

FOAM: All foam is CertiPUR-US certified which means: Made without ozone depleting chemicals; PBDEs, TDCPP or TCEP (''Tris'') flame retardants; mercury, lead, and other heavy metals. Made without formaldehyde, or phthalates regulated by the Consumer Product Safety Commission. Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million).
