## Overland Mattress

Overland

Transform your camping experiences with the Scout Overland Sleeping Pad. Specifically engineered with the needs of overland adventurers, Rooftop Tent and Popup Camper owners in mind; the Scout has the advantages of a high-performance, low-profile camping sleeping pad that doesn't compromise comfort for convenience.

- 3" thick high performance/ low profile foam mattress:
  - 1" soft conforming foam top layer
  - 1" performance support foam base
- Nymed™ rugged nylon top & side cover
- All around water and abrasion resistant
- Anti-bacterial, anti-fungal and anti-static
- Low-slip polyurethane coated nylon fabric sides and bottom
- Removable, easy to clean covers

### How to Order

The RoamRest Outback Scout is available in Lengths from 70-99" and widths of 30-79"

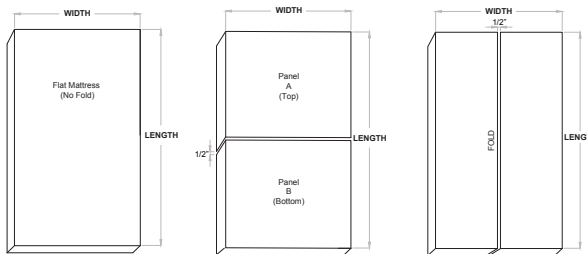

Please enter the total length of your mattress in inches on our website. For Bi-Folds, each panel will be 50% of this length. If you prefer, you can also call us toll-free at +1 800 448 6163.

Looking for more customization? We can help with that too—just give us a call!

### Sizing Notice:

- Bi-Folds can be configured to fold across either the width or the length, incorporating a zipper to divide the mattress in half
- Bi-Folds will have two panels, each 50% of the total width/ length
- Please note, an additional 1/2" should be accounted for to accommodate the zipper

- 3"** 2 layers of premium, performance foam
- 5-6 MED** Medium comfort level, great for all sleepers
- SUPPORT** Support where you need it
- Low slip fabric cover**
- Customizable size**
- Made tough - water, abrasion and rip resistant**

Overland Mattress

### Rugged Nymed™ Nylon Cover:

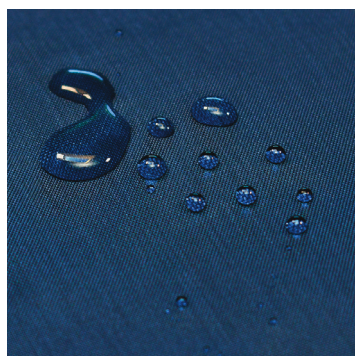

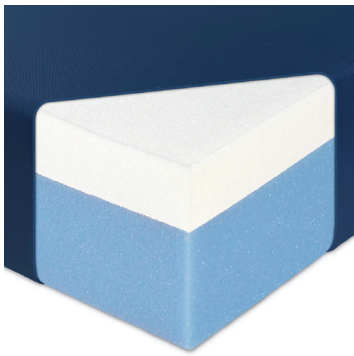

This cover is water resistant, anti-bacterial, anti-fungal, anti-static, non-allergenic, non-irritating, and is Latex free, ensuring maximum durability with an anti-microbial finish, and a fantastic feel. Plus, the low-slip bottom material easily keeps this pad in place.

### Camping Comfort:

With our 3" thick high-performance, low-profile foam camping pad, you can sleep comfortably after a day full of adventures. The 1" conforming foam adjusts to your body, while the 2" performance firm base layer provides a foundation for balance between softness and support.

### Advanced Foam Technology:

Crafted with both comfort and performance in mind, this 3" sleep pad boasts a multi-layered design that expertly conforms to your unique contours, while also offering a firm and supportive foundation for a truly restful night's sleep.

### Materials & Certification

**REMOVABLE COVER:** Nymed™ rugged nylon top & side cover. Ultra durable low-slip bottom fabric with zippers.

**FOAM:** All foam is CertiPUR-US certified which means: Made without ozone depleting chemicals; PBDEs, TDCPP or TCEP ("Tris") flame retardants; mercury, lead, and other heavy metals. Made without formaldehyde, or phthalates regulated by the Consumer Product Safety Commission. Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million).
