

# Assure II

Multi-layered, Multi-density for optimal comfort and postural support

## General Patient and ICU/CCU Hospital Mattress

**Removeable Cover** with heavy duty zipper on three sides which allows for internal mattress inspection and easy replacement. Also includes fluid protection flap over zipper which directs fluids over and away from the zipper area. This model comes standard with carrying handles for easy transportability.

**Nymed 6™ Health Care Grade Nylon Top Cover** has a built-in polyurethane back coating which provides additional liquid resistance. The coating process prevents the cover from becoming brittle so that the cover stays soft. This cover is flame resistant, anti-bacterial, anti-fungal, antistatic, Non-allergenic, non-irritating, and is Latex Free.

**Durable waterproof polyurethane coated Vynmed™ Health Care Vinyl Bottom Cover** Soft-supple feel offers exceptional comfort and includes a tear resistant double-sided coating. This cover has a built-in fluid barrier, is anti-bacterial, anti-fungal, stain resistant, non-allergenic, non-irritating, latex Free and is self-deodorizing. **Secondary Fluid Barrier** between foam and cover, thermally sealed inner cover. Providing protection for foam if outer cover is compromised.

**Fire Barrier Protective Layer** assembled between the cover and foam provides an additional layer of fire protection which helps this mattress meet California Technical Bulletin 129 and CFR 1633.

**6" thick Certi-PUR-US foam provides comfortable support for individual's up to 300lbs.** Includes a 2" soft lofted engineered layer for increased air circulation and comfort, a 2" Performance Soft Foam Layer and a 2" Supportive Foam Base Layer.

**FirmEdge™ passive restraint system** provides support on both sides of the mattress during entry and egress.
