-  Made in the USA

Standard Stretcher

Mattress Technology

Mattress Core

2 Foam Layers:

- Soft conforming foam layer
- Supportive foam base layer
- All foam is CertiPUR-US certified which means:
 - Made without ozone depleters
 - Made without PBDEs, TDCPP or TCEP (“Tris”) flame retardants
 - Made without mercury, lead and other heavy metals
 - Made without formaldehyde
 - Made without phthalates regulated by the Consumer Product Safety Commission
 - Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million)

Secondary Fluid Barrier:

- Assembled between foam and cover
- Unique protection: If the outer cover is compromised, foam is protected

Color Code Identifier (tagging)

- Distinguish old mattresses from new or use for departmental identification
- Standard yellow identifier included, optional colors available upon request
